# Giving Societies

*In Gratitude*

Since its founding in 1984, the Kean University Foundation has benefited from a strong tradition of giving. Today’s alumni, students, parents, faculty, staff, and friends give life to this tradition and to the importance of leadership by making gifts that ensure excellence both now and in the future. The President’s Society has been established to recognize the value of leadership giving at Kean University. Recognition in this prestigious group of benefactors is achieved through an annual gift of \$1,000 or more.

President’s Society benefits include:

- Invitation to the annual President’s Holiday Party;
- Communications from the University with up-to-date information on programs, priorities, issues, and events;
- Exclusive access to speakers at University events;
- Listing as a President’s Society member in our annual Honor Roll of Donors, which will be posted on our website and printed in the Foundation’s annual report;
- Planned giving consultation, with insight into tax incentives; and
- The knowledge that your leadership gift makes a true difference for today’s students!
